

Jeanine Abraham and Dirk Jan Rol
Unique set of three spherical cages

Unique set of three spherical cages by Jeanine Abraham and Dirk Jan Rol
Rattan.

This set is a unique piece dating from 1968. These cages come from the artists' House-Studio in Meudon. The cages served as a light partition between the living and dining rooms: at once space dividers, decorative objects, and airy sculptural forms, they reflected the couple's constant attention to light, spatial fluidity, and the balance between function and poetry.

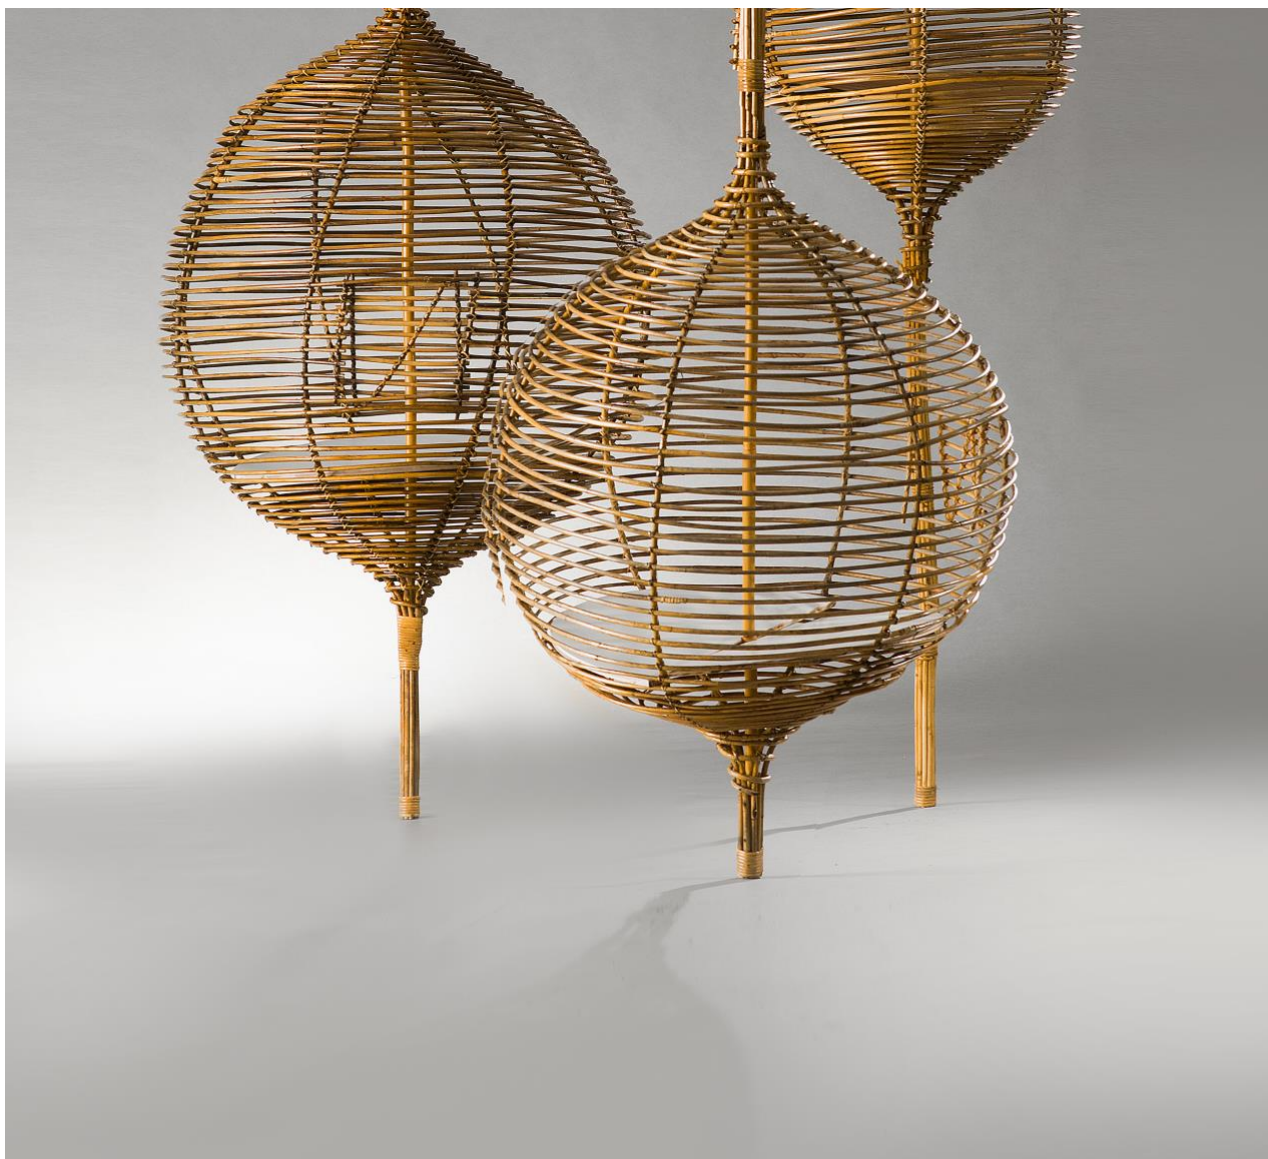

France, circa 1968.

Small : H. 335 x D. 52 cm

Medium : H. 335 x D. 72 cm

Large : H. 335 cm x D. 80 cm.
