

Pair of 'Luge' armchairs by Joseph-Andre Motte

Pair of 'Luge' armchairs by Joseph-Andre Motte.

Chrome metal feet, velvet.

This armchair was created for the Grenoble City Hall, where Joseph-André Motte was commissioned to design the interior furnishings.

As stated by the Ministry of Culture: "This major work by architect Maurice Novarina, in collaboration with Jean Prouvé and Joseph-André Motte, represents a remarkable example of a total work of art within the civic architecture of the mid-20th century."

MPS edition. France, c. 1966.

H. back. 83 cm ; H. seat. 46 cm ; D. 64 cm ; L. 64 cm.
